BEAUMONT CHILDREN'S MUSEUM
PRESENTS

CASINO Royale

Honoring Mark and Brooke Hall

Friday, February 28, 2020

OUR MISSION

The Beaumont Children's Museum is igniting the growth of children, families and communities through interactive learning and play by encouragaging and inspiring children to think for themselves, confidently ask questions, question answers and understand the world around them.

WHAT WE DO

We are a non-profit children's museum that believes in learning through play with exhibits that are carefully selected to promote S.T.E.A.M. focused learning (Science, Technology, Engineering, Art, and Math). We strive to promote a family fun and interactive environment where children thrive and get excited about learning.

HOW WE DO IT

The core of Beaumont Children's Museum is programming that complements and enhances children's educational opportunities. We accomplish much of this through a variety of educational programs that are offered throughout the year. Ask about our scholarship packages that are customized for assisting our program.

24% of the Southeast Texas population is under the age of 18. These young minds are full of curiosity and eager to learn 100% of the time. The Beaumont Children's Museum wishes to always be a safe learning environment for families to come and explore together.

We are dedicated to inspiring children to become their best selves, to always be curious and ask questions as they explore the evolving world they are exposed to.

Join us as a partner in our mission to ignite the growth of children, families and our community through interactive learning and play.
