Dear Friend of the Beaumont Children's Museum,

Beaumont Children's Museum is hosting our 4th annual Dia De Los Muertos on Saturday, November 2nd, from 10am-4pm at the Beaumont Children's Museum inside the Beaumont Civic Center.

This year's event provides a unique opportunity for children to explore the culture of Mexico while we celebrate the energetic and vibrant holiday of Dia de los Muertos. We are excited that this year's event date falls truly on the official holiday. Each year the museum is decorated with alters and colorful creative décor including paper mâché catrines and catrinas.

We would be honored to have your company help by becoming a community partner and sponsoring Dia De Los Muertos. Your tax-deductible donation will help cover the costs of our event's expenses, allow the museum to open up the doors for free to visitors, other rental supplies. Assisting with the cost of these expenses will allow the museum to open up to a community who many not visit the museum at other times. We hope to this event will provide an opportunity for the families to explore the museum and growing programs.

Please also consider participating in this beloved and growing community event by setting up an alter for the kids to explore or to come dressed to impress as a catrine or catrina. Many community partners choose to be a part of the day by setting up alters with an activity for the guests as a part of their sponsorship. The museum believes that events like this will benefit our community in many ways including:

- Creating an event that encourages families to laugh and learn together while encouraging more family time for our Southeast Texas families.
- Highlighting the many different organizations that make this community great, will create community pride and togetherness.
- Giving children an opportunity to see and learn about new concepts, cultures or subjects, will create an education opportunity for hands on learning, curious minds to ask questions and to help growing children understand the world around them.

The Beaumont Children's Museum is a 501(c)(3) charitable organization dedicated to igniting the growth of children, families, and communities through interactive learning. The Beaumont Children's Museum is supported by contributions from individuals, corporations, grants and through program-related income. Thank you in advance for joining our mission. Only together can Beaumont Children's Museum and our community partners help *Build Children's Minds*.

With Appreciation,

Amanda Yarbrough
Executive Director
